

We are looking for a Christian singer who can play keyboard or acoustic guitar to regularly assist our worship leader on Sunday mornings and to lead worship when she is not available.

We are a small church who meet every Sunday in Vernon Hall (the large hall) in the Community Centre at Chalkhill Road, Wembley Park HA9 9FX.

Our service is held from 11am-12.30pm. Our worship team lead us with a mixture of songs: some traditional but generally with more contemporary worship music. We are looking for a singer/musician who will join us in an enthusiastic and encouraging style of worship. (An ability to play by ear would be an asset, though not essential.)

Please contact us on leaders@wellspringwembley.org with some information about yourself (a video or something from social media would be helpful but not essential). We will then arrange a meeting (Zoom or WhatsApp) to discuss time; payment; terms and conditions for this part-time position.
